

## Adam Van't Hof Scholarship Scorecard

### Criteria Areas

1. Attitude/commitment- We are looking for over-achievers; players that work hard & are committed to improve. Ideal candidates have a positive attitude, attend practice faithfully, do improvement work on the side, & are total team members.

2. Extracurricular involvement/leadership attributes- We look for players that contribute outside their team. Ideal candidates provide coaching assistance, participate &/or coach in youth programs, demonstrate leadership qualities, referee soccer games & do volunteer work.

3. Soccer talent & achievements- We look for players that not only succeed in soccer, but do so beyond their natural talent & ability. Ideal candidates have improved their skills over time and have a high level of commitment to soccer.

4. Financial need- A player's financial need is considered.

5. Educational achievement- The focus is not on how high a player's grades or their class rank. Rather, we look for candidates that are college-worthy of a scholarship.
